Preparation:

Sand the sleds and seal with DecoArt MultiPurpose Sealer. Sand again when dry and wipe away sanding dust with a damp cloth.

Basecoat all sleds with Snow White. Dry brush around the edges with Ultramarine Blue. Paint sides of each sled with Ultramarine Blue.

To create the backgrounds, mix Purple Wave with some glazing medium. Put a few dots of the Purple Wave mixture on the sled. Then, drag an old credit card or plastic gift card through the paint to create some swirls. Allow to dry. Repeat the same process with Winter Blue mixed with glazing medium. Repeat the process a third time with Ice Crystal Glamour Dust. Leave some spaces open for the white to show through.

Pattern at 100%

To ensure your pattern is at 100%, this box should measure 1" x 1" when printed.
