DecoArt Specialty Products

DuraClear Satin Varnish

Royal Brush

½" comb for making hair this goes very quickly with this brush

Brushes of choice depending on the size you are painting.

Miscellaneous Supplies

Water container. Stylus, tracing paper, transfer paper, palette paper, scissors, paper towel, scotch tape, permanent black ultra fine pen

Instructions:

Snowmen

Basecoat the snowmen in a mix of 4 parts Snow White to 1 part Blue Mist. Float the shadows with Blue Mist. Stipple using an old fluffy brush (this is a straight up and down motion so that it looks lumpy)the highlights with Snow White.

Legs

Basecoat the legs in Buttermilk. Float the shadows with Honey Brown and the highlights with Snow White

True Red areas (scarves, hats, skirt band, stripes on legs, cupcake papers)

Basecoat all of the True Red areas. Float the shadows with Napa Red and the highlights with Bright Orange. On the scarf and the hat do large Napa Red dots. On the skirt band do Mistletoe Green trees with a touch of Snow White dot with Mustard Seed in between.

Olive Green areas scarves, hats, cupcake papers, skirt band)

Basecoat the Olive Green areas. Lightly float the shadows with Hauser Medium Green and the highlights with Citron Green. Using the stylus dot the hat and scarf with True Red. On the skirt band make little True Red packages, shade with Napa Red and highlight with Bright Orange. Do the bows with Mistletoe. Dot in between the packages with True Red.

Mistletoe Green areas (scarves, hats, cup cake papers, skirt band)

Basecoat the Mistletoe Green areas. Float the shadows with Evergreen. Float the highlights with Sour Apple. Stripe the scarf and the hat with True Red, shade with Napa Red and highlight with Bright Orange. Do Snow White snowflakes on the skirt band.

Arms and Cupcakes

Basecoat the arms and the cupcakes in Burnt Umber highlight with Honey Brown.

Frosting

Basecoat the frosting in Buttermilk. Float the shadows with Honey Brown and the highlights with Snow White.

Faces

Float the cheeks with Snow White plus a touch of True Red. Basecoat the nose in Bright Orange highlight with Mustard Seed. Shade with a touch of True Red. Do the eyes and the mouth in Lamp Black.

Boots

Basecoat the boots with Lamp Black. Float the highlights with Snow White plus a touch of Lamp Black. Do the buckles in Mustard Seed.
